STEP/

- 1/** Create an uneven triangle on top of the head favouring one side. Leave out a 1 cm (3/8") section of hair at the front hairline.
- 2/** Starting at the top of the head take a slice of hair on an angle towards the face and place on a foil.
- 3/** Apply highlights colour mix and continue to pivot the sections across the triangle.
- 4/** Mix & apply Infiniti 5.35 colour mix to full head.

Note: Sections of hair can vary in thickness to create strength of colour and focal point.

Styling

Apply Indigo Defender to damp hair, partially dry then work in a small amount of Indigo Blu Goo. Push hair into place using a blow dryer and brush, over directing the hair forward. Follow with Indigo Control Freak for movement and separation to personalise the shape. Finish with Indigo Enforcer for a lasting effect.
